

## A Workforce Safety and Emergency Training Company

Established in 2008, Florida Training Academy, LLC ("FTA") is a nationally recognized safety, health and emergency training company that provides cost effective training solutions for corporations and government agencies. FTA specializes in custom workplace emergency and safety training programs that fit the specific needs of corporations and government agencies. Thereby, FTA allows our clients to focus on what really matters most – their business.

Our list of customizable training programs includes:

- CPR and AED
- Basic Life Support (BLS) for Healthcare Providers
- First Aid (basic and beyond)
- Blood borne Pathogens (BBP)
- Advanced Cardiovascular Life Support (ACLS)
- Train-the-Trainer and Instructor Development Courses

## Capabilities

- Certification and card delivery within 1 - 3 business days
- Electronic certification cards for easier record keeping
- Blended (online) learning options
- Urgent and mobile (on-site) classes - for all shifts
- Training programs conducted by experienced and professional instructors (nurses, EMTs, paramedics, military veterans and educators)
- Efficient, hassle and intimidation-free training (3 - 5 hours for up to 100 employees)
- Added discounts for large groups (20 or more employees)

## Notable Clients

Some of our past corporate clients include the Florida Division of Vocational Rehabilitation, Manson Construction, Bolles Schools, Jacksonville Housing Authority, North Florida Community Action Agency, United States Postal Service, Nassau County School Board and Jacksonville Transportation Authority.

## Our Staff

The staff at Florida Training Academy has over 50 years of combined medical and training expertise. Our instructors provide CPR, AED and First Aid classes to all professionals who have a duty to respond to an emergency, regardless of industry. FTA is owned by Eunice Mathis, RN, BSN, a native of Jacksonville, Florida, and a registered nurse with over 19 years of cardiac and emergency care experience. Ms. Mathis currently serves as a Regional Faculty Member for the American Heart Association and facilitates the training of thousands of adult students annually at Florida Training Academy.

## Company Data

Florida Training Academy provides mobile training solutions for your employees. We work with your schedule. In addition, our instructors provide the highest quality training with national standards from the American Heart Association and the American Safety and Health Institute.

### Past Performance Comments:

- "No other company could meet our certification deadlines."  
- "I have learned more in this class than I had previously learned in the longer, more expensive classes."  
- "Thank you for completing our corporate class at 6:00 AM. By doing so, our employees arrived to their work sites on time."
